

NITRILE SKY FEEL THE FINE ALTERNATIVE

GOOD RESISTANCE TO CHEMICALS* – optimal for many applications
HARMONISED COLOUR - soft blue ("sky blue")
OPTIMISED WEARING COMFORT – thanks to improved fit

Better fit and feel and good resistance to chemicals
Optimised fit and improved sensitivity
Pleasant blue colour
For Type I allergy sufferers

FEEL THE FINE ALTERNATIVE

The growing trend towards nitrile examination gloves continues. Increasing numbers of users prefer the material which is similar to natural latex while expecting comparable comfort and protection. The new Sempercure® nitrile sky is the response to the requirements of the market: a comfortable, finer nitrile glove that also provides good chemical resistance.

- Suitable for use with **certain cytotoxics**.¹⁾
- The gloves do not contain natural latex proteins and are therefore **ideal for Type I allergy sufferers**, who do not want to do without the comfort of natural latex.
- **The pleasant colour** "sky blue" is visually especially gentle for users and patients.
- Minimised transfer of infections, tested for **impermeability to viruses** according to ASTM F 1671.
- **Because of the dual labelling** (Class I medical product and PPE Category III protective gloves) the Sempercure® nitrile sky is also suitable for non-medical applications, e.g. in the laboratory.

TECHNICAL DATA

sempercure®  **nitrile sky**

TYPE	Powder-free disposable examination glove
MATERIAL	Nitrile butadiene rubber (NBR)
COLOUR	Sky blue (blue)
GLOVE FORM	Flat with rolled edge
TOTAL LENGTH/SIZE as per EN 455-2	XS, S, M, L, XL 240 mm
WALL THICKNESS doubled in palm area	median 0.17 mm
IMPERMEABILITY as per EN 455-1	AQL 1.5
TEAR STRENGTH as per EN 455-2	≥ 6 N
SHELF LIFE in original package with storage as per DIN 7716, ISO 2230	3 years
PACKAGING	in dispenser box: XS, S, M, L 100 pcs, loose, XL 90 pcs. in transport carton: XS, S, M, L 1,000 pcs, loose, XL 900 pcs.
LABELLING	EN 1041, EN 980, ISO 15223, EN 420 (non-sterile)
PURPOSE OF USE as per MDD 93/42 EEC as per PPE 89/686 EEC	Class I medical product PPE Category III disposable glove (<u>limited protection</u> against the effects of chemicals) ¹⁾
